

LONG ISLAND

Proceeds from charity run

Officials of the Children's Medical Fund of New York, Long Island Cares, the Long Island Children's Museum, and the Nassau County Society for the Prevention of Cruelty to Animals gather after being awarded a check for \$100,000 from the Marcum Workplace Challenge run/walk fundraiser. The organizations will share the money. More than 200 corporate teams from across LI participated this summer. The event has raised more than \$1 million for charities since its inception in 2006.
