JONES BEACH STATE PARK

Dear Friends and Supporters:

Thanks for participating in the 14th Annual Marcum Workplace Challenge. We had a field of 8,500 participants and over 12,000 total attendees from nearly 200 companies! We had a warm, clear and breezy day as we traveled on the road to \$1 million in total beneficiary donations over our 14 years!

Thank you to our 50+ sponsors who generously contribute to the event, including Marcum LLP, our Title Sponsor for 14 years! We are grateful for the support that you provide, which enables us to produce a quality event and raise funds for local charity.

We applaud the great work that our charity partners, The Long Island Children's Museum, Long Island Cares- The Harry Chapin Food Bank, the Children's Medical Fund of New York and the Nassau County SPCA, do here on Long Island. Please make sure to visit their websites to learn more about these fabulous agencies!

Our staff and volunteers are "the village" it takes to produce this event. They give forth their time, energy and enthusiasm to help ensure a safe, fun experience for all! Kudos to the staff at Jones Beach State Park! They are a wonderful venue to work with. Special thanks also goes to the great group of hard working team captains who promote the event within their organizations.

As always, we strive to produce an enjoyable event and look forward to bringing our 15th Annual Marcum Workplace Challenge to Jones Beach in the summer of 2020. Your comments and suggestions are always welcome.

If you enjoyed this year's event, we hope that you will continue to help us spread the word and encourage your colleagues, family and friends in other organizations to join the fun next year!! Feel free to direct them to our website: www.marcumworkplacechallenge.com

We wish your organization and its employees the best of luck for the remainder of the year, and thank you still once more for helping to make the 2019 Marcum Workplace Challenge another great success! We look forward to seeing you and your team at Jones Beach State Park next year!

Cordially,

Mindy Davidson

Friends,

When we meet you at the start line and see the sheer numbers of Long Islanders joining us for this wonderful event, we are truly in awe. Thank you for attending the 2019 Marcum Workplace Challenge and ensuring another unqualified success!

Approximately 8,500 Long Islanders from 200 company teams braved the heat to run or walk the 3.5-mile course, cheered on by colleagues, friends and families. And we loved the party atmosphere and sense of fun at the Corporate Village, where co-workers enjoyed their time inside their company tents.

On our ROAD TO \$1 MILLION, we fully expect to reach our goal – exceeding \$1 million dollars in cumulative donations since the inception of the event to our four charity beneficiaries – Children's Medical Fund of New York, Long Island Cares, Inc. – The Harry Chapin Food Bank, the Long Island Children's Museum, and the Nassau County Society for the Prevention of Cruelty to Animals. We couldn't do it without you.

In addition to the race results presented within this book, you can see the hundreds of pictures of YOU and the other participants – before, during, and after the race – posted on our event website at www.marcumworkplacechallenge.com.

The Marcum Workplace Challenge is a highlight of the year for the partners and staff of our Firm. It is gratifying to know that so many people return to enjoy the event each year. Our sincerest thanks go to those returnees, as well as to all of the new companies and employees who joined us for the first time. And tremendous thanks to our generous sponsors, who are the backbone of this event, year after year.

Special thanks to Mindy Davidson and our friends at the Greater Long Island Running Club, who are the driving force behind the event and great partners in this effort.

Marcum is a proud member of the local community and honored to give back to it. Next year is a special one – our 15th year! On behalf of our beneficiaries, we hope we can count on you in 2020.

Sincerely,

The Nassau County SPCA would like to thank Marcum LLP and all participants & sponsors of the Marcum Workplace Challenge. We were honored to be a proud beneficiary. Your efforts will help provide the medical care for abuse animals, allow us to expand our domestic violence program for pets of domestic violence victims and provide free spaying & neutering in poor economic areas thus lowering the number healthy animals being euthanized due to overpopulation.

The mission of the Nassau County Society for Prevention of Cruelty to Animals is to protect Nassau County's animals from cruel & inhumane treatment and put an end to animal suffering through education, community involvement, and enforcement. The continued success of each endeavor relies entirely on donations, your being part of the Marcum Workplace Challenge will help the NCSPCA in all of our vital efforts.

We just wanted to reach out to follow up, it was a pleasure meeting with you yesterday. The Marcum event was great, and we really enjoyed being a part of such a wonderful event. Thank you again for all of your help leading up to, and during the event as well.

Great job as always! You are really amazing. The event was fun and we're so happy to be included again this year. Have a good day, I hope you get to rest now!

Cheryl Emma Steinhauer

The Harry Chapin Food Bank

On behalf of Farrell Fritz, THANK YOU for a GREAT event last night! The Marcum Workplace Challenge is always fun, always a terrific time, but I think last night's was the best so far. It was a beautiful night and our group had a ball; it looked like everyone did! Some of our group played the "Federal Feud". Great idea; they loved it and are still talking about how fun it was today. (I wish I'd played it)! The event is such a tremendous undertaking and you pull it off beautifully each year. Such a fun time and wonderful memories year after year.

Lorraine C. Sullivan
Farrell Fritz, P.C.

Just want to tell you that we had a wonderful time at our first annual Marcum Challenge. I was impressed with the entire experience and wanted you to know that we were very happy with everything. Thank you for the excellent tent placement, I am very appreciative of that. You and your team are amazing. Thanks for everything. I hope you enjoyed yourself as well.
