On-Line Team Management Guide

The Marcum Workplace Challenge online registration system aims to help Team Captains manage their teams better. This Guide is meant to show you how to use the system and answer questions that may arise.

Creating Your Team

Go to www.marcumworkplacechallenge.com and click on the Registration tab.

Click on: **Team Captain: Create/Manage Your Team**. This will take you to the site where you will be able to create and manage your corporate team, as well as where your employees will go to register.

**If you registered a team in 2019, you have to create a new team each year for your company. However, you can use your same login and password as in 2019.*

To Start: Click the JOIN A CORPORATE TEAM button.

(The registration system requires that all registrants join a Corporate Team. To create your team, follow the instructions below)

1. Click on the Create a New Team button.

The screenshot shows the Marcum Workplace Challenge website interface. At the top, there is a navigation bar with a hamburger menu icon on the left, the Marcum Workplace Challenge logo in the center, and a circular profile icon on the right. Below the navigation bar, there are two buttons: "Sign Up" and "Donate". A horizontal teal line separates the navigation from the main content area. The main content area features the text "Marcum Workplace Challenge" in a large font, followed by the date "Tue July 28, 2020" and the location "Wantagh, NY US 11793" with a location pin icon and a "Directions" link. Below this, there are three social media icons for Facebook, Twitter, and Instagram. The "Corporate Teams" section is highlighted in teal, and it includes a "Go to My Corporate Team" link. A search bar is present with the placeholder text "Team Name". Below the search bar, there is a "Search" button and a "Create a New Team" button. A red arrow points from the search bar area towards the "Create a New Team" button. At the bottom right of the page, there is a small text notice: "You can create a corporate team until 7/28/2020".

2. Setup Basic Team Options

- **Team Name** – Make this something easy to understand and remember so employees will be able to recognize it among the many teams listed.
- **Team Type** – There is only one type.
- **Event Costs %** - Enter the % of the costs you are willing to pay for employees. 100% means you will pay the entire cost. 75% means you will pay for 75% of the cost.
- **Stop Paying Date** – This date will be your cut-off for paying for entrants.
- **Maximum Number Covered** – This is the total number of registrations (employees, family and friends combined).
- **Family/Friends Setting** – you can enable an employee to also add others to their registration. Check the box to turn this on.

If not checked, only employees would be able to join your team and receive your cost offset. If checked, you can

specify a limit to the number of additional members that your organization will pay for. You can also specify the rules – we have default text that can be replaced with anything you want.

3. Custom Questions

A) **YOU MUST completely fill out your mailing address** (both the street address AND the city, state, zip code). This will be the primary mailing address for mailing out any event materials.

B) Top Dog- you have the opportunity to register a “Top Dog” for your team. (It is optional, not mandatory.) The Top Dog must meet the criteria below. Please complete this question AFTER your Top Dog candidate has registered for the event. You may email director@marcumworkplacechallenge.com with your Top Dog’s name to confirm that he/she is properly designated as a “Top Dog.”

TOP DOG ELIGIBILITY: *To participate in this category you must be the most senior executive at the company who is participating in the event (ex: CEO, COO, CFO, Senior Partner, Director, Principal). A company must have at least 5 participating members in order for a Top Dog to be submitted. On the evening of the event you must complete and submit to your captain a “Top Dog” scorecard in order to be eligible for the “Top Dog” award and listed in the results. The decision of the Marcum Workplace Challenge Race Committee regarding “Top Dog” eligibility is final.*

You will be able to edit the options you set when you first created your team, like the password or how many employees and family members you want to help pay for.

In addition, you can decide whether you want to let people register on the public team page, and whether you want to create your own URL so that you can send employees directly to register.

Finally, you can enable non-employees to register independently from employees. In the standard mode, employees and their families must register together.

Custom Questions

You can ask any type of question to the members of your team when they register. You will be able to report and download all the responses, which can help you organize your team.

As you can see on the right, you can enter responses that members can choose from.

You can select the way the responses are given – in this case we have chosen checkbox, which allows people to select multiple responses. You can also let people type in free form, only choose one thing with the Radio button, select one item from a menu, or simply do a Yes/No type of question.
