August 2021

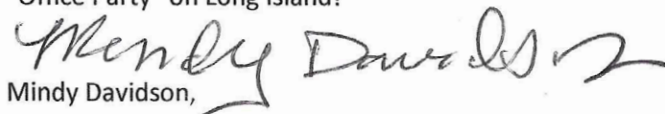

Dear Participants and Supporters,

On the afternoon of Tuesday, July 27, I laced up my Nike's and pinned my Marcum Workplace Challenge Virtual Run bib with the #1 on it (while to me it really represented the first and only time I will get to run the race, in reality, it was autogenerated to me as I was the first to sign up for the event!). I headed to parking field 5 at Jones Beach State Park to run 3.5 miles with Marguerite Macagnone, the Coordinator of Volunteers for the live race. We started in the area that the actual race starts and then did an easy 3.5 miles through the tunnel, along the boardwalk and down to the ocean. Of course, it was a bittersweet day.

With so much uncertainty, and the inability to get a permit by the beginning of June, we were forced to make a hard decision. We could either hold a Virtual Run/Walk or cancel the 2021 Marcum Workplace Challenge. The committee felt very strongly about continuing to support our 4 beneficiaries (Children's Medical Fund of NY, LI Cares-The Harry Chapin Food Bank, Long Island Children's Museum and the Nassau County SPCA) during these challenge times so we moved forward with a Virtual Event.

We are so thankful for all of our wonderful sponsors, the participating companies and their team members. We were also glad to be able to host an event so that those registered could run or walk wherever, whenever and with whomever they wanted!

We are all looking forward to 2022 and the return of the Marcum Workplace Challenge and the largest "Office Party" on Long Island!

Friends,

One of the hallmarks of the Marcum Workplace Challenge is the opportunity to challenge yourself during the race. Well, this certainly has been a year of challenges!

Though it looked different this year, we are so grateful for your participation in the Marcum Workplace Challenge Virtual Run. We much prefer to gather and celebrate together at Jones Beach, but it was gratifying to see the pockets of participation throughout Long Island, for the month of July.

Whether you participated alone on your treadmill or outside with coworkers, thank you for your help to keep the tradition alive.

Because of you, we will again be able to support our four charity beneficiaries that do so much good for our community – Children's Medical Fund of New York, Long Island Cares, Inc. – The Harry Chapin Food Bank, the Long Island Children's Museum, and the Nassau County Society for the Prevention of Cruelty to Animals. We couldn't do it without you.

The Marcum Workplace Challenge is a highlight of the year for the partners and staff of our Firm. This year in particular, it was wonderful to see the participation from our neighbors. Tremendous thanks to our generous sponsors, who are the backbone of this event, year after year.

Special thanks to Mindy Davidson and our friends at the Greater Long Island Running Club, who are the driving force behind the event and great partners in this effort.

Marcum is a proud member of the local community and honored to give back to it. We hold out hope that on the fourth Tuesday of 2022 we will be together again at Jones Beach.

Stay well,
