Friends,

When we look back on the 2022 Marcum Workplace Challenge, it is with a sense of gratitude – gratitude that we were finally able to gather after 3 years away; gratitude that so many Long Island companies returned to participate and sponsor; and gratitude that it was so successful in raising money for our wonderful charity beneficiaries.

Thank YOU for all you did to make this year's event a success. From the sponsors who support the event and make it all possible, to the team captains, runners, and walkers who joined us, it is your support that helps make this the largest event of its kind on Long Island. And we loved the party atmosphere and sense of fun at the Nationwide Mortgage Bankers Corporate Village, where co-workers enjoyed their time inside their company tents.

It is your support that has helped raise more than \$1.1 million in cumulative donations since the inception of the event to our four charity beneficiaries – Children's Medical Fund of New York, Long Island Cares, Inc. – The Harry Chapin Food Bank, the Long Island Children's Museum, and the Nassau County Society for the Prevention of Cruelty to Animals.

In addition to the race results presented within this book, you can see the hundreds of pictures of YOU and the other participants – before, during, and after the race – posted on our event website at [www.marcumworkplacechallenge.com](http://www.marcumworkplacechallenge.com).

The Marcum Workplace Challenge is a highlight of the year for the partners and staff of our Firm. Our sincerest thanks go to those who have joined us in the past, as well as to all of the new companies and employees who joined us for the first time. And tremendous thanks to our generous sponsors, who are the backbone of this event, year after year.

Special thanks to Mindy Davidson and our friends at the Greater Long Island Running Club, who are the driving force behind the event and great partners in this effort.

Marcum is a proud member of the local community and honored to give back to it. On behalf of our associates and our beneficiaries, we hope we can count on you in 2023.

Sincerely,
